(2) Instead of fulfilling my request, I was deferred to attorney Hollander. Who, in my opinion, placed tons of emails (road blocks) to try to kill my request (email correspondence attached). Then, I had to go down to her office only to receive 1/4 to 1/3 of the records that I requested.

(3) After this meeting, I had to continue email correspondence with the Management Company to obtain all the other records that I was missing (email records attached).

The deadline for delivery of the records passed per Florida statute, and I notified Management of this (email attached).

(4) So, in all there were 1 visit to Dania Beach (Hollander) and 4 to 5 visits to Plantation (Management's Office) to obtain all the records I requested, now past the 10 days or \$500 that I am entitled to collect per Florida Statutes.

(5) Given there were City of Plantation Liens and Fines Notices going on since 2022, it appears to me that they didn't want me collecting this information and alerting the community, which I did once I received and reviewed the records. These Liens and Fines were mostly due to past

(6) unlicensed contractor work done in 2007 that was never corrected. Actually, a law firm was hired to defend the Board and they stated to the City of Plantation, I believe, that they would correct this work.

However, this never happened and now the Fines will be up to \$2.1 Million by the completion of our \$4.85 Million renovation project!!! OUR COMMUNITY PRAYS THAT FLORIDA WILL INVESTIGATE THIS!

request by the board or its designee." Further, "The failure of an association to provide the records within 10 working days after receipt of a written request shall create _____

a rebuttable presumption that the association willfully failed to comply."

(c) _____

REQUEST FOR RELIEF

State the relief which you seek in arbitration, i.e., what is it that you want the arbitrator to require the Respondent to do or not to do

I believe since this was a blatant disregard of my unit owner rights, I am due the \$500 penalty.

Further, this notice should be retained as public information of the issues contained within our _____
