Oh, one last comment on this, I advised you that my roof is under legal review/action and anything you need can be requested through my attorney. As a matter of fact, my attorney offered Rhonda a settlement offer for this information you inquired about that you neglected to mention! You have been aware this whole time of the leaks to my roof (many many emails and attorney letters) and you didn't send the roofers to make any emergency repairs to date. You sent roofers to inspect what my roofers did - not to make proper emergency repairs. If this case or a new case goes back to court, I am protecting my rights and listening to my attorney's advice, not yours! That's for sure!
