Re: Omega Villas Condominium Association, Inc.
Request for Roof Replacement Proposals and Other Work

Dear Contractors:

Please be advised that, Omega Villas Condominium Association, Inc. (the "Association"). The Association consists of a group of 24 one-story residential buildings consisting of 4 to 6 units per building. The Association is processing a Modernization plan, including the 40 Year Re-Certification, and wants to perform the existing roof replacement (Shingle & Flat) including the gutters and downspouts.

The Association has engaged S&D Engineering and Construction, Inc. who has developed the plans and specifications for the roof replacement project. Attached hereto are both the plans and the specifications generated by S&D Engineering and Construction, Inc. The Association is seeking proposals from qualified roofing contractors to perform the work in conformity with these plans and specifications. The bids for the project must be organized on a line item basis for each material component of the project. If you believe certain portions of the job would require an allowance, please reference that in your bid and provide a reasonable allowance.

A mandatory pre-bid meeting will be scheduled at site prior to submittal of your sealed bid to the association. You can ask any of the questions you may have regarding the bid documents, drawings and/or specifications. Any and all bids have to be submitted strictly in the format requested. Any bids received which is not in the format requested will not be considered. In order for us to compare your bids with other bids *Material Alteration* will not be accepted.

A pre-bid meeting is scheduled for December 16th, 2020 at 1:00 PM at site
