Subject: Broward SAO — Produce Intake/Case Records or Confirm None Exist (Ref: R001381-051225)

Broward State Attorney's Office —

I'm following up on Public Records Request **R001381-051225** (filed May 12, 2025). Your office replied asking only for a court case number or offense report. That answer is unacceptable given months of direct correspondence and documented incidents involving **Omega Villas Condominium Association, Austro Construction (Dorin Frai), and related parties**. There literally have been hundreds to potentially over a thousand emails with your office attached on these subject matters.

For clarity: I had **detailed correspondence with Ms. Margaret Carpenter and/or staff** across **Q1–Q4 2024 and into 2025** raising these exact issues. I also have a video showing a Plantation Police officer removing me from an Omega Villas Board meeting in 2024 after residents confronted contractors on-site — that video is attached and available for review. <https://youtu.be/0Yn9UNtg9Ag?si=Qkyrsg-wdivcswCj>

This matter is not theoretical. It involves: exposed electrical hazards at occupied units, contractor activity without clear permits or supervision, apparent potential duplicate billing and scope-creep tied to a \$4.85M contract, and repeated owner complaints that were routed to multiple agencies including the State Attorney's Office. The question now is simple: **did the Broward SAO open an intake, referral, or investigation based on these records or referrals?**

Therefore, I formally request that the Broward State Attorney's Office:

1. Conduct a search of SAO intake/complaint/case-management records for **January 1, 2023 — present** using these search terms and produce all non-confidential responsive records (digital delivery preferred):
 - "Omega Villas" OR "Omega Villas Condominium Association"
 - "Austro Construction" OR "Dorin Frai" OR "Levy"
 - "Your Management Services" OR "Sunrise Management"
 - "Rhonda Hollander"
 - "Shawn Martin" OR "Unit 48" OR "Building 10"
2. If any intake, referral, or case exists, provide the **case number(s)/offense report number(s)** and deliver the non-confidential public records from those files.
3. If no responsive records exist, provide a formal "No Records" letter that states **which systems were searched, what search terms were used, and the date(s) of the searches**.

4. Explain why previous direct contacts and attachments (summarized in my timeline) did not result in an intake, or confirm if intake occurred and what the current status is.

I will publish this correspondence and your response on our Watchdog archive for public transparency. I am attaching the following documents for your convenience and for the record: the original PRR, a concise timeline of owner complaints and agency referrals, copies of my prior correspondence with Ms. Carpenter, the video clip of the 2024 meeting removal, and our most recent Watchdog release.

Please confirm receipt and produce the requested results within **10 business days**. If you require clarification on any attachment or need additional identifiers (police report numbers, exact incident dates), let me know immediately.

Regards,

Shawn Martin

Your message to the group inspectorgeneral@eog.myflorida.com couldn't be delivered.

The group [inspectorgeneral](mailto:inspectorgeneral@eog.myflorida.com) only accepts messages from people on its allowed senders list, and your email address isn't on the list.

Office 365

inspectorgeneral
Action Required
Sender not allowed

How to Fix It

Ask the owner of the group to grant you permission to send to the group, and then try to send a message again. If the group belongs to a different organization than yours, contact the organization's customer service department for assistance. If the group is in your organization and you don't know who the group owner is, you can find it by doing the following in either Outlook on the web or Outlook:

- Open your Sent folder, and then select the original message.
- If you're using Outlook on the web, select the group name located on the To or CC line. If you're using Outlook, double-click the group name on the To or CC line.
- In Outlook on the web, from the pop-up dialog box, choose Owner. In Outlook, choose Contact. The owner's name is listed under Owner.

The owner of the group may have intentionally chosen to restrict who can send messages to it, and they may not want to adjust the existing restriction. In this case, you'll have to contact the group members by some other means, such as sending an email message to their individual email addresses or contacting them by phone.

Status code: 550 5.7.124

This error occurs when the owner of the distribution group or security group has set up the group to accept messages only from certain addresses. Even a group owner may not be automatically granted permission to send messages to the group.

To fix this issue, the group owner must add the sender's address to the group's allowed senders list. Usually this issue can only be fixed by the group owner.

For more information and steps to fix this issue, see [Fix email delivery issues for error code 5.7.124 in Office 365](#).

Subject: Re: PUBLIC RECORDS REQUEST :: R001381-051225

Subject: Broward SAO — Produce Intake/Case Records or Confirm None Exist (Ref: R001381-051225)

Broward State Attorney's Office —

I'm following up on Public Records Request **R001381-051225** (filed May 12, 2025). Your office replied asking only for a court case number or offense report. That answer is unacceptable given months of direct correspondence and documented incidents involving **Omega Villas Condominium Association, Austro Construction (Dorin Frai), and related parties**. There literally have been hundreds to potentially over a thousand emails with your office attached on these subject matters.

For clarity: I had **detailed correspondence with Ms. Margaret Carpenter and/or staff** across **Q1–Q4 2024 and into 2025** raising these exact issues. I also have a video showing a Plantation Police officer removing me from an Omega Villas Board meeting in 2024 after residents confronted contractors on-site — that video is attached and available for review. <https://youtu.be/0Yn9UNtg9Ag?si=Qkyrsg-wdivcswCj>

This matter is not theoretical. It involves: exposed electrical hazards at occupied units, contractor activity without clear permits or supervision, apparent potential duplicate billing and scope-creep tied to a \$4.85M contract, and repeated owner complaints that were routed to multiple agencies including the State Attorney's Office. The question now is simple: **did the Broward SAO open an intake, referral, or investigation based on these records or referrals?**

Therefore, I formally request that the Broward State Attorney's Office:

1. Conduct a search of SAO intake/complaint/case-management records for **January 1, 2023 — present** using these search terms and produce all non-confidential responsive records (digital delivery preferred):
 - "Omega Villas" OR "Omega Villas Condominium Association"
 - "Austro Construction" OR "Dorin Frai" OR "Levy"
 - "Your Management Services" OR "Sunrise Management"
 - "Rhonda Hollander"
 - "Shawn Martin" OR "Unit 48" OR "Building 10"
2. If any intake, referral, or case exists, provide the **case number(s)/offense report number(s)** and deliver the non-confidential public records from those files.
3. If no responsive records exist, provide a formal "No Records" letter that states **which systems were searched, what search terms were used, and the date(s) of the searches.**

Subject: Re: PUBLIC RECORDS REQUEST :: R001381-051225

Subject: Broward SAO — Produce Intake/Case Records or Confirm None Exist (Ref: R001381-051225)

Broward State Attorney's Office —

I'm following up on Public Records Request **R001381-051225** (filed May 12, 2025). Your office replied asking only for a court case number or offense report. That answer is unacceptable given months of direct correspondence and documented incidents involving **Omega Villas Condominium Association, Austro Construction (Dorin Frai), and related parties**. There literally have been hundreds to potentially over a thousand emails with your office attached on these subject matters.

For clarity: I had **detailed correspondence with Ms. Margaret Carpenter and/or staff** across **Q1–Q4 2024 and into 2025** raising these exact issues. I also have a video showing a Plantation Police officer removing me from an Omega Villas Board meeting in 2024 after residents confronted contractors on-site — that video is attached and available for review. <https://youtu.be/0Yn9UNtg9Ag?si=Kqyrsg-wdivcswCj>

This matter is not theoretical. It involves: exposed electrical hazards at occupied units, contractor activity without clear permits or supervision, apparent potential duplicate billing and scope-creep tied to a \$4.85M contract, and repeated owner complaints that were routed to multiple agencies including the State Attorney's Office. The question now is simple: **did the Broward SAO open an intake, referral, or investigation based on these records or referrals?**

Therefore, I formally request that the Broward State Attorney's Office:

1. Conduct a search of SAO intake/complaint/case-management records for **January 1, 2023 — present** using these search terms and produce all non-confidential responsive records (digital delivery preferred):
 - "Omega Villas" OR "Omega Villas Condominium Association"
 - "Austro Construction" OR "Dorin Frai" OR "Levy"
 - "Your Management Services" OR "Sunrise Management"

- "Rhonda Hollander"
 - "Shawn Martin" OR "Unit 48" OR "Building 10"
2. If any intake, referral, or case exists, provide the **case number(s)/offense report number(s)** and deliver the non-confidential public records from those files.
 3. If no responsive records exist, provide a formal "No Records" letter that states **which systems were searched, what search terms were used, and the date(s) of the searches.**
 4. Explain why previous direct contacts and attachments (summarized in my timeline) did not result in an intake, or confirm if intake occurred and what the current status is.

I will publish this correspondence and your response on our Watchdog archive for public transparency. I am attaching the following documents for your convenience and for the record: the original PRR, a concise timeline of owner complaints and agency referrals, copies of my prior correspondence with Ms. Carpenter, the video clip of the 2024 meeting removal, and our most recent Watchdog release.

Please confirm receipt and produce the requested results within **10 business days**. If you require clarification on any attachment or need additional identifiers (police report numbers, exact incident dates), let me know immediately.

Shawn Martin

Your message to the group inspectorgeneral@eog.myflorida.com couldn't be delivered.

The group [inspectorgeneral](#) only accepts messages from people on its allowed senders list, and your email address isn't on the list.

sem2000s
Sender

Office 365

inspectorgeneral
Action Required
Sender not allowed

How to Fix It

Ask the owner of the group to grant you permission to send to the group, and then try to send a message again. If the group belongs to a different organization than yours, contact the organization's customer service department for assistance. If the group is in your organization and you don't know who the group owner is, you can find it by doing the following in either Outlook on the web or Outlook:

- Open your Sent folder, and then select the original message.
- If you're using Outlook on the web, select the group name located on the To or CC line. If you're using Outlook, double-click the

group name on the To or CC line.

- In Outlook on the web, from the pop-up dialog box, choose Owner. In Outlook, choose Contact. The owner's name is listed under Owner.

The owner of the group may have intentionally chosen to restrict who can send messages to it, and they may not want to adjust the existing restriction. In this case, you'll have to contact the group members by some other means, such as sending an email message to their individual email addresses or contacting them by phone.

Status code: 550 5.7.124

This error occurs when the owner of the distribution group or security group has set up the group to accept messages only from certain addresses. Even a group owner may not be automatically granted permission to send messages to the group.

To fix this issue, the group owner must add the sender's address to the group's allowed senders list. Usually this issue can only be fixed by the group owner.

For more information and steps to fix this issue, see [Fix email delivery issues for error code 5.7.124 in Office 365](#).

Subject: Broward SAO — Produce Intake/Case Records or Confirm None Exist (Ref: R001381-051225)

Broward State Attorney's Office —

I'm following up on Public Records Request **R001381-051225** (filed May 12, 2025). Your office replied asking only for a court case number or offense report. That answer is unacceptable given months of direct correspondence and documented incidents involving **Omega Villas Condominium Association, Austro Construction (Dorin Frai), and related parties**. There literally have been hundreds to potentially over a thousand emails with your office attached on these subject matters.

For clarity: I had **detailed correspondence with Ms. Margaret Carpenter and/or staff** across **Q1–Q4 2024 and into 2025** raising these exact issues. I also have a video showing a Plantation Police officer removing me from an Omega Villas Board meeting in 2024 after residents confronted contractors on-site — that video is attached and available for review. <https://youtu.be/0Yn9UNtg9Ag?si=Qkyrsg-wdivcswCj>

This matter is not theoretical. It involves: exposed electrical hazards at occupied units, contractor activity without clear permits or supervision, apparent potential duplicate billing and scope-creep tied to a \$4.85M contract, and repeated owner complaints that were routed to multiple agencies including the State Attorney's Office. The question now is simple: **did the Broward SAO open an intake, referral, or investigation based on these records or referrals?**

Therefore, I formally request that the Broward State Attorney's Office:

1. Conduct a search of SAO intake/complaint/case-management records for **January 1, 2023 — present** using these search terms and produce all non-confidential responsive records (digital delivery preferred):
 - “Omega Villas” OR “Omega Villas Condominium Association”
 - “Austro Construction” OR “Dorin Frai” OR “Levy”
 - “Your Management Services” OR “Sunrise Management”
 - “Rhonda Hollander”
 - “Shawn Martin” OR “Unit 48” OR “Building 10”
2. If any intake, referral, or case exists, provide the **case number(s)/offense report number(s)** and deliver the non-confidential public records from those files.
3. If no responsive records exist, provide a formal “No Records” letter that states **which systems were searched, what search terms were used, and the date(s) of the searches**.
4. Explain why previous direct contacts and attachments (summarized in my timeline) did not result in an intake, or confirm if intake occurred and what the current status is.

I will publish this correspondence and your response on our Watchdog archive for public transparency. I am attaching the following documents for your convenience and for the record: the original PRR, a concise timeline of owner complaints and agency referrals, copies of my prior correspondence with Ms. Carpenter, the video clip of the 2024 meeting removal, and our most recent Watchdog release.

Please confirm receipt and produce the requested results within **10 business days**. If you require clarification on any attachment or need additional identifiers (police report numbers, exact incident dates), let me know immediately.

Regards,
Shawn Martin
