I agree with you Blaire, we (phase 2) had plenty of time. I spoke to several of my neighbors regarding the proxies.... let's hope the businesses can get it to the owners attention.

Jay, do you have the tally sheet for phase 2?

This way, I can know who we need to contact. I don't mind calling or emailing the businesses, as I did in Phase 3. We just need the information ASAP, as I don't want to wait until the last minute.

I have no intention on reaching out to anyone in phase 2. They all have had 6 times to make their preference known. This is YOUR phase so it's on you.

I will have two more Phase 2 proxies today for the extra features and color options. Can one of you reach out to Kareem as I believe his was outstanding. It appears several of the other units we have listed are for businesses. Thoughts?

Management extended the deadline for 1 month to give everyone extra time. So, that places us at April 26, 2024. And, we only have one or two more to collect, I believe? Jay said we had 22 and need 23, if I am not mistaken.

Wait, is this correct as I gave Jay one more petition last night and he said we had 22 proxies now??

Phase 2 – 21. Not enough proxies were received to change the color or remove the trim/banding and trellises. Adding the trim/banding and trellises will add to the cost of the project for Phase 2 and to the amount owed for the special assessment to repay the bank loan.

I have attached the corrected minutes for the 3/19 meeting. With the correction, this can be posted to the website (as voted by the board at last night' meeting).

I have also attached the minutes from the 2/27 meeting that is still pending approval before posting to the website.
